**Anaheim, California | August 21-23, 2026**  
*Partnering with the global EMDR therapy community*

# Why EMDRIA

The annual conference of the EMDR International Association (EMDRIA™) brings together a global community of EMDR therapy clinicians, consultants, trainers, researchers, and educators dedicated to ethical, evidence-based trauma treatment.

## 96%

of our attendees would attend (or recommend someone else attend) a future EMDRIA event

Exhibiting or sponsoring at the EMDRIA Conference is an opportunity to connect with professionals who are thoughtful, engaged, and intentional about the tools, services, and resources they choose to support their work.

Our exhibit hall is designed to encourage meaningful conversations, relationship-building, and a shared commitment to healing and professional excellence.

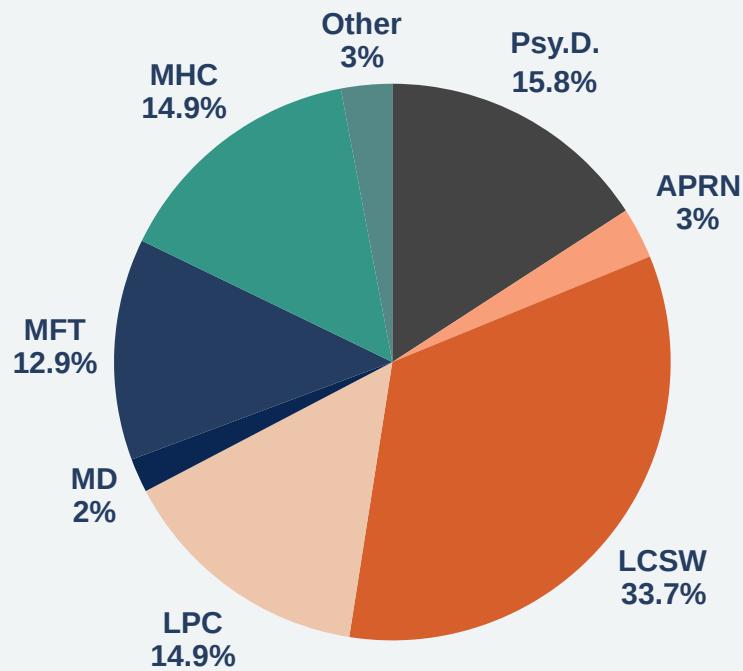

# Who You'll Meet

## A highly engaged, professional audience

The EMDRIA Conference attracts an audience of **nearly 2,000 mental health professionals** who actively seek resources that support trauma-informed care, professional development, and ethical practice.

### Attendees by Profession

On the exhibit floor, you will have the opportunity to meet face-to-face with attendees who are focused, values-driven, and moving their practices or agencies forward.

They are eager to discover how your product or service can help them stay on pace and grow in their EMDR therapy practice.

# Exhibiting

Showcase your organization in the Exhibit Hall and connect directly with attendees.
